Exterior

Cover style

Do you already have a cover image? If not, cover design fee is \$20.

Do you have any favorite planner pages based on pictures?

Is there anything else you would like to add?

Custom Planner base price is \$75 excluding printing costs. Printing cost is determined by page count, style and size. The final costs will be added up based on the options checked above and an invoice will be sent following consultation. Final page count is determined by the content you want. Minimum page count is 200 pages to ensure a good look and feel of planner.

Bulk Pricing is available by request and discussed in a consultation. Pricing is all dependent on your planner needs (Size, style).
